

# DELIVERY BIBLE TRAINING PROGRAM

## ABOUT THE COURSE

The Aircraft Delivery Bible Course is a comprehensive training program designed to equip aviation professionals with the knowledge and skills required for successful aircraft deliveries. This course serves as a comprehensive guidebook, providing in-depth instruction on all aspects of the aircraft delivery process, from pre-delivery inspections and documentation to post-delivery operations and customer satisfaction.

SELF-PACED  
ONLINE TRAINING

*"Education is the most powerful weapon which you can use to change the world."  
- Nelson Mandela*
